Oleksandr Dzisiak
Frontend developer

I am a highly **motivated** professional with a passion for creating visually appealing and user-friendly web applications. My expertise encompasses effective interaction and exchange of information to ensure seamless communication. I excel in collaborative efforts towards a common goal, demonstrating teamwork that guides and inspires a group towards success.
In addition to my proficiency in **HTML, CSS, JavaScript** , I specialize in finding solutions to challenges and obstacles, showcasing my adaptability and problem-solving skills. Also i have experience with popular frameworks such as **React.js** .
Time management is another forte, as I am adept at efficient allocation and utilization of time, ensuring timely delivery of high-quality work. Beyond this, I actively seek to learn and integrate new technologies, reflecting my dedication to continuous improvement.
